Supervisor Jeff Engel - As we discussed on February 17th the Board of Supervisors are handling matters for the Eastern Plumas Recreation District (EPRD). In reviewing the Operating Agreement there are reports that the EPRD has failed to provide us. Also the EPRD has failed to maintain liability insurance.

The attached letter is requesting that the reports and current liability insurance be sent to us by May 1, 2017.

I would be happy to meet with you after March 12th to go over the Operating Agreement (attached). Please call me anytime at 530-523-3167 (cell) or 530-525-9523 (office) if you have questions.

- Marily
