Eastern Plumas Recreation District

Re: Resignation

After much thought and careful consideration, I have decided to resign my position as Board Chairperson as well as my services as a member of this Board.

The ranker, distrust, libelous and slanderous dialog related to the operations of the Board makes conducting legitimate business very difficult. The sense of purpose has been diluted by backstabbing and divisive positions on and off the Board. In addition, lack of funds, support staff, and a secure facility to house our proceedings effectively disables the running of the district.

This decision to resign is effective immediately upon delivery of this notice to the remaining members of the board.
