Cc: "Jeff Engel, District 5 Supervisor" <engel.dist.5@gmail.com>, Michael Sanchez District 1 Supervisor <o4sgonavy@yahoo.com>

Hi Steve,

Find my letter of interest attached for the vacant board seat I hope that I will be considered and approved to sit on your board. If you need anything else, let me know. I should have added that I can help with updating and keeping the Association's website updated and innovative.

It was great catching up with you after all these years. Thanks for chairing the PCSDA. You did a great job. Frank is really an asset too. I have had many communications with him over the last few years. His ethics seminar was well attended.

Also, I will try to set up a Streamline Seminar for the PCSDA members in either August or September depending on their schedule. Can you give me an idea of what dates are good for setting that up for and say, set aside a 2-hour window before or after one of your monthly meetings.

Also, I am seeking to attend the CSDA Special District Leadership Academy in July and the Governance Foundations classes in September.

All for now.

hereward@thegrid.net

Dear Mr. Allen and Associate Executive Board Members,

At the recent meeting of the Plumas County Special District Association Regular Meeting, Mr. Allen informed me that the Executive Board was looking for another director. I would be honored to be considered for the vacant position.

I have been a director of the Eastern Plumas Recreation District since November, 2013 and I feel I have acquired the knowledge needed over these years about conducting government meetings, the Brown Act, Public Records Act and CA code with regards to oversight of community services districts.

Since 2013, I have also attended many of the Plumas Eureka CSD meetings as a resident of the district and I ran for a board seat but did not beat the incumbents. When a board seat opened on the EPRD, I filed my application and was elected. I recently attended the ethics class that is required every two years. I was appointed Chairman of the EPRD District in March. My term on the EPRD expires this year and I plan to run again for another 4 year term.

I have been an independent real estate broker since 1999 and as a Realtor and a member of the National, California and Plumas Associations of Realtors, I often undergo ethics training there as well.

Since joining the EPRD district, I understand what it means to be part of a good working team that can make each CSD successful. It is my opinion that the PCSDA organization is important in making all the CSD's in Plumas County the best they can be and as transparent as possible to the public each serves.

I am currently seeking to attend the CSDA's Special District Leadership Academy in July and Governance Foundations classes in September.

I would welcome such a challenge and would enjoy working together with your dedicated team. I hope I can be of service.

Sincerely,

Mimi Garner
